

# HOW TO MAKE A VASE IN GRECIAN ART STYLE

## WHAT YOU NEED?

- 2 PIECES OF PAPER
- PENCIL
- PROTRACTOR
- SCISSORS
- RULER
- PAINT
- GLUE STICK & GLUE

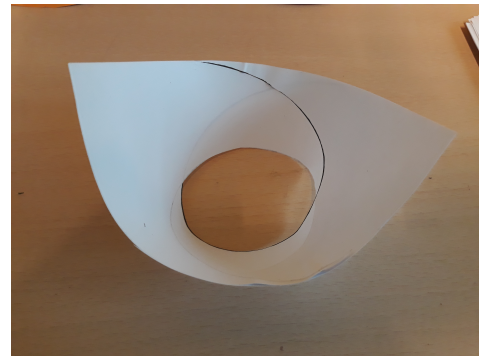

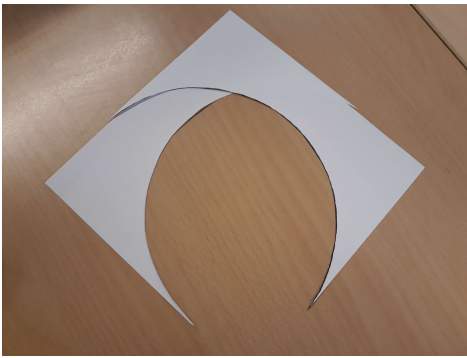

## STEP BY STEP

1. PUT THE PIECE OF PAPER IN LANDSCAPE MODE AND WITH A PENCIL AND RULER DRAW A VERTICAL LINE 1 CENTIMETRE IN ON ONE SIDE. (THIS WILL BE THE GLUE LINE)
2. NOW MAKE A SKETCH IN PENCIL, TRY ONE OF THE CHALLENGES BELOW.
3. NOW MAKE A PAINTING ON THE PIECE OF PAPER ABOUT A MYTH OR A LEGEND USING PAINT AND LET IT DRY OVERNIGHT
4. ROLL THE ARTWORK INTO A CYLINDRICAL SHAPE AND USING THE GLUE STICK, GLUE ONE END ON THE GLUE LINE. NOW YOU WILL HAVE THE SAME SHAPE AS PICTURE 2.
5. TAKE THE SECOND PIECE OF PAPER AND PUT IT IN LANDSCAPE MODE. USING A PROTRACTOR, DRAW A CIRCLE FROM THE CENTRE OF THE PAPER. THE EDGE OF THE CIRCLE SHOULD TOUCH THE SIDES OF THE PAPER AS SHOWN ON THE PICTURE. → DRAW A LINE (2) AND A DOTTED LINE (1) AS SHOWN ON THE PICTURE.
6. CUT THE DOTTED LINE OF THE CIRCLE (1). THEN FOLD THE DOTTED LINE TOWARDS LINE 2 AND GLUE IT TOGETHER. THIS WILL CREATE A CONE SHAPE AND WILL BE THE BASE

CHALLENGE 1: TELL THE STORY BY DRAWING A SERIES OF SMALL DRAWINGS IN CHRONOLOGICAL ORDER

CHALLENGE 2: DRAW A SITUATION OF THE STORY ON THE SEAM (THINK ABOUT WHAT THE PICTURE WILL LOOK LIKE ONES ITS IN SHAPE)

7. TAKE THE OFF-CUTS FROM STEP 5 AND USING A GLUE STICK, GLUE THEM TOGETHER AS SHOWN IN THE TOP-LEFT PICTURE.
8. NOW LAY OVER THE REMAINING CORNERS AND GLUE THEM TOGETHER USING A GLUE STICK TO CREATE A SPOUT. NOW YOU SHOULD HAVE A SIMILAR SHAPE AS SHOWN IN THE TOP RIGHT PICTURE.
9. USING REGULAR GLUE, GLUE TOGETHER THE BASE, CYLINDRICAL SHAPE AND SPOUT TO CREATE YOUR OWN GRECIAN STYLE VASE
